### BOF National Badge Scheme

You may use these results for your badge awards. When you have three similar standards, you may buy Gold, Silver, Bronze or Iron badges as follows:

Metal brooch badge	£1.50
Woven cloth badge	£1.00
Age or year flash	£0.40
Certificate	£0.30

Apply by sending a cheque made payable to BOF and a stamped addressed envelope (22 x 16cm) to:  
S and V.Johnson, The Alders, Blencowe, Penrith, Cumbria, CA11 0DB

For more Badge Scheme details see BOF rules, CompassSport or contact the National Office for an explanatory leaflet.

**NEOA Colour Award Scheme**

Members of NEOA may purchase the relevant colour badge on completion of three events, finishing above the colour line.

For further details, contact : Margaret Crosby (0191 2685449)

---

**Officials:**

Organisers - Elizabeth Hale, David Gosling

Planner - Malcolm McIvor

Controller - Martin Green (TYNE)

**Organiser's comments** - *Elizabeth Hale and David Gosling*

We were very pleased that the day passed well from our point of view and this was certainly helped by the sun shining on us. We were particularly happy to see so many little 'orienteers' going round the Mr.Men string course. We were also most heartened at the end of the day when everyone had left, to find the parking field completely free from litter.

You might have noticed that the finish was moved a little further into the forest - sorry, but up to midday on the day, a huge great log-moving juggernaut was making map corrections to the forest!

I am forever amazed at how many man-hours and woman-hours, as well as miles travelled, goes into the making of a mere few hours competition.

The usual sincere thanks to those who made the event possible and to everyone who helped on the day.

Thanks also to Major Warde-Aldham (northern forest and parking fields); Lowther Scott-Harden (southern forest); Mr.A.Milburn (water); Mr.J.Bailey (farm manager); Northumbria Police; St.John's Ambulance.

**Planner's comments** - *Malcolm McIvor*

In my opinion, Kellas must be the most enjoyable forest for orienteering in the whole of the region, and that goes for the planning too.

The three main problems concerning the planning of badge standard courses were the 'speed' of the terrain, the multitude of paths and rides, and the distinct shortage of contour detail and features.

My aim was to set courses that tested navigational ability as well as athletic ability, which inevitably meant more controls than usual for most courses, as well as extra distance needed to satisfy recommended winning times. I hope you all found that combination to your liking.

The relatively small size of the area meant that the senior courses were shorter than perhaps they should have been, but in view of the fact that it was day 1 of a 2 day event, I'm sure that was probably appreciated.

As I have already said, it was a pleasure to plan this event and to work with the controller Martin Green, and organiser Elizabeth Hale, and my thanks to Mr.McDonagh the Forestry Manager for the superb way that he maintains the Kellas plantation. Long may it last.
