Organiser's comments - Noel and Elizabeth Arrowsmith

Many thanks to all those who helped on the day. Also special thanks to Sunderland Leisure Services and to the staff of the Washington Leisure Centre in allowing us to use the building for the reception and for the assistance they provided on the day. Despite the problem with the car park, we hope you enjoyed the event.

Planner's comments - Frank Major

The armchair plan was done during March and April before the undergrowth became prolific. Several site visits brought about changes in the original plans but in order to provide courses of a reasonable standard, some of the undergrowth areas happened to be transversed. Special thanks must go to Dave Caudwell (controller) who patiently guided me through the rules and regulations and represented the competitive interests extremely well. I can only hope that those participants who turned up on the day, enjoyed their run in the sunshine.
