Officials:

Organiser / planner - Rob McKenna.
Controller - Julian Warren(NN)

Organiser's comments - Rob McKenna

Many thanks for all turning up and supporting this event on what turned out to be a bright but cold day, well at least it was standing around at the finish. The lying snow gave that Christmas feeling but added to the challenge. The area has a lot to offer, with the technical aspects and normal good run-ability of Houghall Woods contrasting with the easier, less technical aspects of the urban terrain around the University Science campus.

My thanks to Julian Warren for control checking, setting and collecting, Gary Russell (registration), Bob Cooper, Debby Warren (finish and control collecting).

Parking was a problem leading up to the event and thanks must go to Mr Corrigan (busar of Collingwood College) for allowing us the use of their parking facilities. Thanks also to Peter Warburton for permission to use the area.

Your generosity has helped to raise a total of **£121.00** for the Great North Air Ambulance.
