 Controller - Rob McKenna (NN)

Controller's comments - Rob McKenna

The unexpected arrival of the bulk of competitors with only 30 minutes to the start caused a bit of a queue and delay at registration, and the plan to have a mass start at 11.00 had to be abandoned reverting to a manual start. This was followed by a shortage of maps at the start which held up a few of the later competitors, but a cache of maps was found to resolve the problem. Although competitors took this in good spirits we must apologise for the slip up. Un-usually for EMIT, one control (169) went 'down' during the event and although some competitors reported they had visited this control we felt it fairer to just remove it from the results. Overall, the event seemed to go quite well and most competitors appeared to enter into the festive atmosphere.

Well done to Duncan Archer for a super run in a fast time - see additional results on NN website for a copy of the route he took.

Our thanks go to Durham University for allowing us to use the woods and the parking area.

Many thanks to your generosity we were able to raise **£370.40** which will be donated to the Childrens Foundation, Yellow Brick Road Appeal at the Newcastle Royal Victoria Infirmary.
